EASTER HOLIDAY COURSES 2024

FARLEIGH

EASTER - Week 3

TRIATHLON COACHING - Ages 8-15

Monday 8th April (Minimum numbers not yet reached)

Course Leader: Kate McBain & Shaun Green (Closed Car Park & Grass Areas)

(£38 per day, max' 20 spaces)

10.00am-3.00pm

Suitable for a wide range of experience, from complete novice to experienced young athlete. Taken by fully qualified British triathlon coaches.

Children will require their own bike which must have working brakes (front and back) and no fixed rear wheel (i.e. the wheel must spin freely without the pedals turning). Bikes must be in safe working order; saddles should be at the correct height, tyres inflated and chains lightly oiled. Bikes should be clean. Cycling helmets are compulsory for all participants; these must be suitable for road / mountain bike cycling activities and carry a recognised standard sticker. No BMX or downhill full-face helmets are allowed.

Other equipment required includes:

- Sensible cycling shoes (if used but not essential, ideally with a single velcro strap which are specific for triathlon) and running shoes (not fashion style trainers).
- Swimming kit, including goggles, hat and a towel.
- Suitable close-fitting clothing for the time of year and weather forecast, e.g. shorts, tracksuit bottoms, running tights, tri-suit (if owned), t-shirts and hoodies - a change of clothes is advisable.
- Warm / waterproof clothing in the event of inclement weather - extra layers like hoodies and tracksuit bottoms are essential.
- Cap for running in sunny conditions.
- Bottle of drink(s), i.e. water. Fizzy drinks aren't recommended. Ideally participants will have reusable bottles, thinking about the environmental impact of single use bottles. Water will be available for refill bottles.
- Packed lunch and snacks for the whole day.
- Sun cream.
