Pre-Prep Activities - Summer Term 2024

BOARD GAMES & CONSTRUCTION - Heaps of fun with different construction kits. Board games will also be available to help the children learn rules, the art of winning and losing, and the social skills of playing together. Led by Mrs Clarke. For Reception.

BUDDY CLUB - Run by Year 8 Form Taker, Mrs Prior, this club gives Pre-Prep children the chance to link up with their Year 5 friends to share art activities, read books together and undertake outdoor activities in the grounds. For Reception, Years 1 & 2.

CIRCUS SKILLS - Run by Head of ICT, Mr Naphthine, Pre-Prep children meet up with Year 5 friends to learn circus skills and tricks. For Reception, Years 1 & 2.

CLASSICAL BALLET - Open to boys and girls, this is a structured dance class introducing and developing a strong use of poise, movement and 'turn out'. Miss Louise, who teaches dance through Pre-Prep on Fridays, leads this club. The music tends to be more classical-piano led, but many ballet tracks are taken from popular and modern/current music. Miss Louise will be working to the British Arts syllabus and hopes that regular and committed participants will be able to take examinations at a time when they are ready, in Pre-Prep or continuing through the Prep school. For Years 1 & 2.

COOKERY - The children cook a variety of foods suitable for their abilities; a mixture of sweet and savoury. Generally, they cook on their own but occasionally in pairs. They get to make everything themselves with only some help, and really enjoy seeing and eating their produce, before willingly helping to wash up and tidy the kitchen. Led by Mrs Grover and Mrs Lambert. For Year 2. Due to high demand, if your child has already joined this activity during the school year, you cannot rebook for the summer term.

DESIGN TECHNOLOGY - Mr Tween will be using his wealth of Design Technology experience to introduce the children to a variety of DT skills. For Years 1 & 2. Due to high demand, if your child has already joined this activity during the school year, you cannot rebook for the summer term.

FOOTBALL - Sessions include a variety of games and activities, all involving the development of skills that can be applied to play football. Run by James Welsh. For Years 1 & 2.

GOLF - Tim Baker, the Club Professional, gives us a lesson on how to play safely and hit the ball using a variety of clubs. Each session finishes with a mini competition. Children may bring their own clubs in for the activity and store them in the Mrs Wilton's office on the day only! For Reception, Years 1 & 2.

MULTI-SKILLS - Provides a non-sport specific, fun, challenging starting point for children's enjoyment in sport. Sessions include a variety of games and activities, all involving the development of skills and attributes that can be applied to a range of sports and physical activities. Multi-Skills is led by James Welsh. For Reception, Years 1 & 2.

SCIENCE CLUB - This will be a fun club exploring all different types of science with plenty of practical, hands on fun. Run by Mrs Collinge. For Years 1 & 2.

SEWING - This club will teach children to thread a needle safely, introduce basic stitches, sewing on a button and progress on to making small seasonal craft items. All materials are supplied. Run by Maria Wright, The Cycling Seamstress. For Year 2.

TAG RUGBY - The children learn the basic skills of rugby: throwing, catching, passing and working as a team. All our coaches are qualified trainers and we tailor our sessions and activities to suit the needs of the different age groups. Tag rugby is led by Phil Rowles. For Reception, Years 1 & 2.

TENNIS - Tennis for Years 1 & 2 follows the LTA Mini Tennis scheme. We introduce the core skills required for playing tennis with regard to footwork and coordination, as well as teaching forehands, backhands, volleying and serving. The children have fun playing a variety of games whilst learning skills. Tennis club is led by qualified tennis coaches. For Years 1 & 2.

YOGA BUGS - Fun, playful classes learning yoga through an inter-active story format. Each week, there is a different theme such as jungle animals, a visit to the ocean or a journey into space. The boys and girls help to tell the story and practise the poses as they go along. The sessions finish with relaxation. Yoga works on the body and mind. It helps children become attentive and centred as well as improving coordination, strength, flexibility and posture. Boys and girls are welcome. Run by Tamsin Kelly. For Reception, Years 1 & 2.
